Fire Chief Kenny West:
Spalding County Fire & E.M.A.
Administrative Complex
1005 Memorial Drive
Griffin, GA 30223

Dear Chief West,

Thank you for sending your firefighters, fire trucks, and the Safety House to our preschool to help teach the children about fire safety and community helpers. While a few children were apprehensive, most of the children really enjoyed seeing real fire trucks up close and interacting with the fire fighters. Everyone was very kind and understanding of the children and their young ages.

We appreciate your annual support for our school.

Sincerely,

Debby Daniel Bryant
Director
