## **YOUR SPLOST DOLLARS AT WORK:**

## SPALDING COUNTY ANNOUNCES CONSTRUCTION TO BEGIN ON ROUNDABOUT AND BRIDGE REPLACEMENT OVER CABIN CREEK

Beginning Wednesday May 17, the intersection of North Hill Street, Tuskegee Avenue, and Northside Drive will be under construction for the installation of a new bridge over Cabin Creek and the construction of a roundabout at Tuskegee Avenue and Northside Drive. This project will take approximately 4 months to complete and will cause a detour around the area.

The detour will not hinder residents going to their local address other than the crossing of Cabin Creek. Portions of North Hill Street, Tuskegee Avenue and Northside Drive will be inaccessible.

## **Suggested Alternates**:

Driving northbound from the City of Griffin you will need to take Realty Street West to North 9th Street.

Driving southbound from Sun City you will have the opportunity to take either E. McIntosh Road West or Lakewood Drive West to North 9th Street.

Funding for both the roundabout and the bridge over Cabin Creek are made possible by passage of the 2008 and 2016 SPLOSTs.
