**THE SPALDING COUNTY FIRE DEPARTMENT TO ASSIST
MUSCULAR DYSTROPHY ASSOCIATION WITH
ANNUAL BOOT DRIVE
SEPTEMBER 27-29, 2018**

Each year fire fighters across the country take to the streets to “ Fill the Boot” to help kids and adults with muscular dystrophy live longer and grow stronger. Every dollar raised helps the Muscular Dystrophy Association fund groundbreaking research, care for kids and adults from day one, and empower families with services and support in hometowns across America. To date, more than \$607 million has been raised through the MDA Fill the Boot program and other fire fighter events to support MDA families and accelerate treatments and cures.

With our collective strength, we work together to free individuals — and the families who love them — from the harm of these devastating diseases that take away physical strength, independence and life.

The Spalding County Fire Department will be filling their boots with donations for MDA on:

Thursday, September 27, from 10:00 am-6:00 pm
at the Kroger and Ingles shopping centers

Friday, September 28, from 10:00 am-6:00 pm
at the Walmart, Kroger and Ingles shopping centers

Saturday, September 29, from 10:00 am-6:00 pm
at the Walmart, Kroger and Ingles shopping centers
