Be a Poll Worker in Spalding County

Qualifications for being a poll worker:

- You must be a U.S. Citizen
- You must be a resident of Spalding County
- You must be at least 16 years old
- You must be able to read, write and speak English
- You cannot have had any felony convictions at least the last 10 years

A poll worker cannot hold a public office, other than a political party office, while serving as a poll worker. A parent, spouse, child, brother, sister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of a candidate cannot serve as a poll worker in any precinct where that candidate is listed on the ballot.

All poll workers must attend a training session prior to each election. The sessions are conducted at various times to accommodate most schedules. The training lasts 1 – 2 hours and will qualify you to work the election. If you desire additional training, we will work with you individually prior to the election.

All poll workers report to their assigned polling place at 6am on Election Day. The poll manager declares the polls open at 7am. Polls close to voters at 7pm but poll workers are required to stay until all paperwork has been completed and all materials packed away.

Poll workers are paid for the services. The amount of the payment is determined by the Spalding County Board of Commissioners.
