Materials Accepted

- © Bagged household garbage.
- © Aluminum and tin cans.
- © Magazines and newspapers with inserts.
- © Plastic -all types.
- © Cardboard (broken down and flattened).
- © Scrap metal - steel, aluminum, tin, copper, etc.
- © Household appliances that **do not contain freon** - washers, dryers, water heaters, etc.
- © Large bulky items- TV's, mattresses, box springs, most furniture, large toys, etc.
- © Lawn and yard materials-shrubbery and lawn clippings, leaves.

Materials Not Accepted

- Hazardous waste, flammable materials, pesticides and herbicides.
- Construction, demolition, roofing, lumber and remodeling debris including sinks, commodes, or carpeting.
- Used motor oil, antifreeze, transmission fluid.
- Commercial, industrial or contractor waste.
- Batteries, tires or other auto parts.
- Items containing freon - air conditioners, freezers, refrigerators, etc. unless freon has been removed by certified technician and tagged.

- 1) Leave only recyclable materials.
- 2) Rinse and remove caps from all food and beverage containers.
- 3) Deposit all recyclable materials in the designated bins. (*Placing non-recyclable items in bins will contaminate the load. **Please don't do it!***)
- 4) Glass recycling applies to food and beverage containers only. Mirrors, window glass, ceramics, dishes, etc. are not recyclable.
- 5) Plastic Bags - all types.

Questions Call: 770-467-4774

Note: Recycling conserves natural resources, energy, and landfill space.

It also saves tax dollars!

Having difficulty disposing of certain items?

Automobile Tires- Most new tire retailers will accept old tires to recycle for a small fee (\$1-\$3 each).

Tires should be relatively clean and off the rim.

Used Motor Oil- Most auto parts stores will accept used motor oil. This does not include the filter.

Call store before taking oil for their guidelines.

" **Construction, Demolition, and Remodeling Debris** - (This includes roofing, lumber, bricks, carpet, linoleum, sinks, commodes, etc.)- The Griffin/Spalding Landfill located on Shoal Creek Road, will accept these items. Phone# 770-228-0430. Call for prices.

o **Refrigerators, Freezers, and Air Conditioners**- (any appliance containing freon) -Call buy back centers listed below for scrap metal.

o **Batteries**- All buy back centers for aluminum and scrap metal.

" **Paint** - Tum all liquid paint into a solid by adding sand or cat litter, wrap the can in newspaper and dispose of with household garbage.
