ON MONDAY, JULY 27, 2015 AT 1:00 P.M.**

Spalding County invites senior adults to learn more about the new Senior Nutrition Program to be located at the Senior Center, 885 Memorial Drive, Griffin, Georgia. In the past, this program has been ran by the Council on Aging/Meals On Wheels, the new program combines the existing program with services through our Senior Center to offer nutritional meals, prepared fresh in our own kitchen, every day for the current recipients and the program will be expanded to offer lunch to the seniors who are at the center. The program is scheduled to serve the first meal on Monday, August 3rd.

Come join us on Monday, July 27, 2015 at 1:00 p.m. in the banquet hall at the Senior Center to learn how this program will work and what you need to do to participate. Come with your questions and enjoy the lite refreshments!
